What *on* EARTH?

❖ WHAT ON EARTH IS HAPPENING? ❖

We are bombarded daily by newspapers, radio, television and other media covering every type of pain, misery, sorrow and death that mankind could imagine. Add to this the Covid 19 virus and Economic distress, is it any wonder that many Christians believe this may very well usher in God's Great War of Armageddon?

DO THE SCRIPTURES SUPPORT SUCH REASONING?

Jesus, when discussing the "signs" regarding the "end of the world," warned us to "Take heed that no man deceive you." (Matthew 24:4) Although some have difficulties in accepting the Scriptures as God's Word, the Apostle Paul tells us that "...all Scripture is given by inspiration of God." 2 Timothy 3:16 The Scriptures also tell us that "the earth abides (continues) forever." (Ecclesiastes 1:4) We are also told that mankind was originally designed to live forever here on earth, never to die. Death was to be the punishment for disobedience. Genesis 2:17; 3:22

Here we could ask ourselves — where would Adam and Eve be right now if they had not disobeyed God's simple command — "do not eat" of a particular tree? We know that they would have avoided that punishment for disobedience — death.

A TIME OF LEARNING

The prophet Isaiah tells us that "...when thy judgments are in the earth, the inhabitants of the world will learn righteousness." (Isaiah 26:9) Right now, and for the last six thousand years, mankind has tried to rule themselves, and many are now realizing that we can't. Others in good conscience try, but there are just too many sinful influences in the way.

Hatred, anger, arguing, wrath, lawlessness, envies, murders, drunkenness and the like, all prevent mankind from working together, let alone working with our Heavenly Father. These tendencies are the works of the flesh ingrained into man and can not be changed without God's help. Isaiah 51:5; Galatians 5:19

Jesus taught us how to pray, asking our Heavenly Father for His Kingdom to come (government) to earth and for His Will to be done on earth. (Matthew 6:10) Of course God's Kingdom can't start the ruling process until all other earthly governmental, religious and financial systems have been removed. Note: just the systems, not the people.

Today mankind knows that there is something wrong, something unjust, something just not right with this present system. To some it is the Political system, to others it is Law Enforcement, the Health system, Capitalism, Education or Human Welfare, and the list goes on... Mankind wants to fix it but just can't.

However all is not lost. Hope lies just ahead. God made Abraham a promise thousands of years ago. He promised that "all families of the earth will be blessed." (Genesis 12:3) "Marvel not at this..." Jesus tells us, "for the day is coming in which all that are in the graves... shall come forth" — some to life and some to judgment.

GOD HAS A PLAN

God knew that mankind could not rule themselves and gave them time to learn. John the Baptist said "...the Kingdom of Heaven is at hand." (Matthew 3:2) Jesus spent his time on earth preaching and teaching "of the glad tidings of the Kingdom of God." In fact the main theme of the Bible is that the Kingdom of God will bring peace and blessings to all mankind.

We are told that one day, shortly, God will be King over the entire earth, and in that day, all will have a fair opportunity to accept Him as the only one who has the right to rule. (Zechariah 14:9) Until then the whole world of mankind groans and suffers while waiting for God's Kingdom. His Kingdom alone will crush and bring to an end all evil, suffering, sorrow, and even death, while healing and blessing mankind.

*"Thy Kingdom Come,
Thy Will be done on Earth"*
